

**In Memory of
COLONEL ROGER STALEY, USMC (Ret.)**

Roger's Marine Corps career was filled with numerous remarkable accomplishments and many lasting friendships. He was asked by his fellow officers to write *The History of the Pineapple Marines*. This is the story of lieutenants that were stationed at Kanehoe Bay, Hawaii and then deployed to Vietnam in 1965. Roger paid great attention to detail and was tireless in his efforts to make the story accurate. We owe him many thanks for chronicling this account of our early lives.
